

EU MOBILE CITIZENS GO *DIGITAL* WITH *EUReKA* PROJECT!

ARE YOU AN EU MOBILE CITIZEN? YOU CANNOT DO WITHOUT *EUReKA*!

Every EU citizen has the right to work and reside in another Member State without being discriminated because of his/her nationality, ethnicity, religious faith, sexual orientation or other reasons.

The **free movement** of citizens is one of the fundamental freedoms guaranteed by the Treaty on European Union and by the EU regulations.

But when you move from a Member State to another it's not always easy to get around: What are my rights? What services I can get access? How do I integrate?

To overcome practical obstacles when looking for accommodation, a job, a healthcare service and to improve the quality of life of EU mobile citizens, now there is **EUReKA**!

Never run out again: visit the **portal** and download the **APP** on your smartphone now!
